**Re: Approval/Withholding of admission for MBA Course 2018-19

APPROVAL ORDER

The Sree Narayana Gurukulam College of Engineering, Ernakulam, in short the college, submitted the list of admitted candidates and supporting documents for MBA Course, for the academic year 2018-19, for approval from Admission Supervisory Committee(ASC).

The ASC provisionally approved the Prospectus as per the order no. ASC100/18/MBA/SNGCE dated 09.02.2018. The ASC has scrutinised the entire documents submitted by the college and found that the documents of all the 66 candidates are found acceptable. Therefore the admissions of the all the 66 candidates are hereby **approved** as per the below list.

One candidate viz Aparna Sunil is not qualified as per the score card issued by the ASC. The Principal of the college has been informed of the matter and directed to produce the certificate if any to establish the right of claim of admission of Aparna Sunil. Accordingly the college has produced caste certificate in respect of the above candidate showing that the admitted candidate belong to SEBC category. The above documents were verified and found acceptable. Therefore the candidate is found eligible for admission, as she has scored 92 marks which is above the cut off mark for SEBC category. Therefore the admission of the above candidate is hereby **approved**.

One candidate viz **Basil Benny** has secured less than 50% marks in the qualifying degree examination. As per the KTU Regulation "**Candidates who have been awarded or qualified for the award of the Bachelor's degree in Engineering / Technology / Business Administration with 50% marks in aggregate or equivalent CGPA; or Bachelor's degree in Arts / Science / Commerce with 50% marks in aggregate or equivalent CGPA and 50% for the Part III or core papers are eligible to apply for admission to the MBA programme.**"

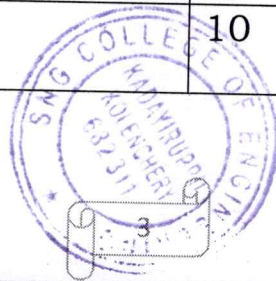

PRINCIPAL
Sree Narayana Gurukulam
College of Engineering
Kadayiruppu, Kolenchery-682 311

Therefore ASC has directed the Principal, SNGCE to explain the circumstance under which the candidate was admitted to the MBA course as he secured less than 50% marks. The Principal on his communication dated 24.09.2018 clarified that based on the Cumulative Credit Point Average (CCPA) secured by him 5.5, Grade D. The evaluation process mentioned in the reverse side of consolidated mark cum grade card issued by M G University reveals that the candidate secured D grade (above 50% mark) is eligible to get admission.

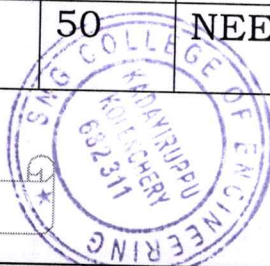

The ASC scrutinised the certificate and found that while calculating Cumulative Grade the percentage comes to 47.94%. If calculate part III since it's a B.Com, the percentage comes to 48.44% which prohibits him from getting admitting to MBA course. Therefore the admission of Basil Benny is **withheld**. So ASC is giving one more chance to the Principal, SNGCE to prove that candidate had secured above 50% marks on or before 23.10.2018, failing which candidate will be rejected without further notice.
