ONLINE CERTIFICATION

Massive Open Online Courses (MOOCs) provide an affordable and flexible way to learn new skills, advance student's career and deliver quality educational experiences at scale. Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if this criteria is matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.
