EVENTS AND ACTIVITIES

1. Induction Programme

Inspire.4 is an induction program for the first-year students of SNGCE. The main motive of the program was to give the students an introduction to IEDC and its activities, and to motivate them to bring up more innovative ideas.

Ann Mary, CFO of IEDC SNGCE, welcomed all to the program.

IEDC Nodal Officer Prof. Dr. Binu P. P explained about the help and support, the BOOT CAMP can provide to the students to explore new technologies and to get much knowledge to develop their own projects. He also spoke about the Fab lab at SNGCE and the facilities at Fab lab that can be provide to the students, so that they can develop their ideas and their products in house.

Mr. Sreejith M V and Mr. Vishnu M S spoke about various programme which going to schedule under IEDC activities. Detailed them about scope and opportunities for the students.

Explained the facilities and machinery in the SNGCE Fab lab in detail and how they can be effectively utilized by the students.

About 200 students from various departments participated in the event.

2. My Entrepreneurship Journey-

Talk by Mr. John Mathew (Co-founder & CEO of Riafy Technologies, Alumni of SNGCE) on 16 August- 2020. It was an interactive session. As entrepreneur and alumni of SNGCE he shared his thoughts and experiences. 100+ students participated in the event.

3. Hacking deMystified

One day Ethical Hacking Workshop by Mr. Arun Shaji (Final year B.Tech CSE student, SNGCE) on 13 September, 2020. 70+ students participated in the event including 5 from other colleges.

Due to COVID pandemic all activities and meetings during the academic year conducted via online.
