**DEPT. OF TRAINING AND PLACEMENT**

**2021 - 2022**

**PLACEMENT CELL**

The illustrious placement record of Sree Narayana Gurukulam College of Engineering is greatly influenced by the Training and Placement Cell. It makes sure that the campus's placement activities go smoothly. In order to prepare potential students for the campus selection programs, training and placement activities are planned throughout the year. For efficient recruitment, the placement cell maintains solid relationships with all businesses. The Training & Placement cell provides students with essential training to boost their performance and competency in order to satisfy corporate needs and secure jobs in reputable companies. These training courses teach students how to do well on aptitude tests, in interviews, and in group discussions.

Training and Placement cell headed by Placement Officer supported by Eight Departmental Faculty Placement Coordinators from Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Computer Science and Engineering, Naval Architecture, and Ship Building, MCA, and MBA.

A student wing of the placement cell is formed every year with student coordinators (final year) from each department. The team is responsible for coordinating placement drives and activities of the cell.

Placements are offered through campus recruitment by reputed companies of which the major ones are TCS, INFOSYS, IBS, SIXDEE, ASPIRE SYSTEMS, UST GLOBAL, SUTHERLAND, QUEST GLOBAL, CYBER MARINE, GARUDA AEROSPACE, TESSOLVE etc.

**OBJECTIVES OF TRAINING & PLACEMENT CELL**

To adequately prepare and train prospective students for campus recruitment by offering them training that is relevant to communication skills, aptitude tests, and general development for the kind of personal & professional grooming that is needed in the workplace.

  
PRINCIPAL  
Sree Narayana Gurukulam  
College of Engineering  
Kadayiruppu, Kolenchery-682 311

- To schedule guest lectures from industry professionals in order to provide students with hands-on training in the wake of continuously evolving professional dimensions.
- To arrange guest lectures of Alumni who are placed in reputed industries or entrepreneurs to inspire and motivate aspiring learners.
- To arrange guest lectures on diverse career paths such as Public Sector and Private Sector etc.
- To arrange Sessions for students with regard to opportunities in Higher education and the importance of GATE, NET, JRF etc
- To raise knowledge of the numerous career options in industries including information technology (IT), information technology enabled services (ITeS), manufacturing, marketing, automation, etc.
- To increase employability through campus placements with concerted and persistent efforts.

#### ELIGIBILITY & REGISTRATION

- Students should register their names by submitting the Students' Data Sheet (Excel sheet) as per the prescribed format given by the Department of Training and Placement Cell. Only registered students are eligible to participate in the placement activities.
- Campus placement is a facility provided for students. Registration is not compulsory. Students not interested in placement are advised not to register for placement.
- Students will be allowed to have multiple job offers. Once a student bags a job offer from a dream company, he/she will not be allowed to participate in any campus recruitment process at all. Moreover, already-placed students but not placed in "Dream Company" may also be allowed for job offers.
- **Backlogs:** Students having backlogs are also permitted to register for placement.
- The eligibility criteria imposed by the visiting company will be the final.
- The eligible/registered students must attend all the training programs/workshops arranged by the department.
- The department faculty placement coordinator is the single point of contact for the concerned department Students. For all kinds of clarifications & communications (such as registration for placement assistance, updating the database, etc.,) should be executed through the concerned department faculty placement coordinator and HOD.

- During induction, most of the companies insist on Passport and PAN card. So, the students are expected to apply for the same at the earliest.
- Students may have to manage their own transport arrangements to return homeland and inform their parents well in advance if the proceedings on the date of the interview continue till the late evening.
- Based on the directions given by the companies, students may be sent to attend pooled campus placement drives in other colleges. Students should inform their parents about the placement process, venue, and timings in advance. Students may have to manage their own transport arrangements for the pooled drives in Ernakulam District.
- Students attending campus interviews should adhere to the following instructions,
  - (a) Report at the venue of the pre-placement talk, test and interview as per the instructions.
  - (b) Students should carry a minimum of 3 copies of their resume, photocopies of all Original certificates, and passport size photographs.
  - (c) A student in casual dress will not be allowed for the Recruitment Process.
- TPO aims to provide placement assistance for all final year students. Placement is a privilege extended to the students but can't be claimed as a matter of right.

## PLACEMENT PROCESS

- It is the responsibility of the student to check announcements/notices / updated information / shortlisted names etc. in their registered email /in the class WhatsApp group/ notice boards of Placement /Department Notice Board.

## ATTENDANCE & PUNCTUALITY

- A student who applies and gets shortlisted is bound to go through the entire selection process unless rejected midway by the company. Any student who withdraws deliberately in the middle of a selection process will be disallowed from placement for the rest of the academic year.
- LATE COMERS FOR APTITUDE TEST / GD / INTERVIEW may not be allowed to appear for the selection process.

## DISCIPLINE

- Students should maintain discipline and show ethical behaviour in every action they take during the placement process. Any student found violating the discipline rules set by the company or defaming the institute's name will be disallowed from the placements for the rest of the academic year.
