

POLICY ON COLLEGE MAGAZINE COMMITTEE

The Magazine Committee of Sree Narayana Gurukulam College of Engineering, Kadayiruppu serves as a platform for students and staffs to showcase their literary and artistic talents, opinions, and ideas. It is responsible for publishing the college magazine, which is a reflection of the creativity and diversity of the college community. The Magazine Committee Policy provides a framework for the committee to publish a high-quality magazine and outlines the roles, responsibilities, and procedures of the committee.

OBJECTIVES:

The objectives of the Magazine Committee Policy are as follows:

- To provide a platform for students to showcase their creativity, literary, and artistic talents through the publication of a college magazine.
- To encourage students to express their opinions and ideas on various topics, thus fostering a culture of reading and writing among students.
- To showcase the achievements and events of the college community, including academic, cultural, and sports events.
- To maintain the integrity and ethical standards of the publication by adhering to copyright and plagiarism guidelines and respecting the intellectual property rights of the writers and contributors.
- To ensure that the magazine represents the diverse talents and opinions of the college community and is inclusive and respectful of all members.
- To adhere to a timeline and budget for the publication of the magazine and ensure that the publication is of a high quality.
- To provide a mechanism for evaluation and feedback to ensure that the magazine meets the expectations and needs of the college community.
- By following the Magazine Committee Policy, the committee members can work together in an organized and structured manner to achieve these objectives. The policy provides a roadmap for the committee to publish a high-quality magazine that is a reflection of the creativity, diversity, and talents of the college community and contributes to the overall development of the students.

RULES AND REGULATIONS FOR COLLEGE MAGAZINE COMMITTEE

- **Membership:** The Magazine Committee should consist of students and faculty members who have an interest in writing, editing, and publishing. The committee should have a diverse representation of the college community.
- **Editorial Process:** The editorial process should be transparent and fair. The Magazine Committee should have a clear system for submitting articles and selecting the articles that will be published.

Secretary

Sree Narayana Gurukulam College of Engineering,
Kadayiruppu P.O., Kolenchery - 682 311
Tel: 0484 - 2597800

The editorial board should review all submissions and make decisions based on the quality and relevance of the content.

- **Copyright and Plagiarism:** The Magazine Committee should adhere to copyright and plagiarism guidelines. All articles and content should be original, and any sources used should be properly cited. The committee should also ensure that they have the permission to publish any images or artwork used in the publication.
- **Budget and Funding:** The Magazine Committee should develop a budget and a funding plan for the publication of the magazine. The committee should consider various sources of funding, such as advertising, sponsorships, and donations, and should keep accurate financial records.
- **Timeline:** The Magazine Committee should develop a timeline for the publication of the magazine. The committee should establish deadlines for article submissions, editing, layout, and printing. The timeline should be realistic and allow sufficient time for all tasks to be completed.
- **Evaluation and Feedback:** The Magazine Committee should develop a system for evaluating and providing feedback on the publication. The committee should seek feedback from the college community to improve the quality and relevance of the magazine.
- **Ethical Standards:** The Magazine Committee should maintain high ethical standards in the publication of the magazine. The committee should ensure that all content is respectful and inclusive of all members of the college community. The committee should also be sensitive to issues of privacy and confidentiality.

By following these rules and regulations, the Magazine Committee can publish a high-quality magazine that is inclusive, ethical, and relevant to the college community.

EDITORIAL PROCESS:

The editorial process will be overseen by the editor-in-chief, who will be responsible for ensuring the quality and coherence of the content. The process will include the following steps:

- Submission of articles, artwork, and other content by the writers and contributors.
- Editing and proofreading of the submissions by the section editors and the managing editor.
- Review and approval of the content by the editor-in-chief.
- Layout and design of the magazine by the editorial team.
- Printing and distribution of the magazine.
