### **WOMEN CELL**

Sree Narayana Gurukulam College of Engineering, SNGCE believes that 'knowledge is power' and the society reform can be attained only by empowering the masses which constitutes the men, women, children and the aged. If ladies and aged are respected in a society, such societies climb the ladders very fast. As an engineering college, we provide professional education and here, we are keen on treating all genders equally and unbiased. To empower the women as well as to train the men on the ways like how to treat and respect ladies and girls also come in the purview of our education system.

Keeping this right spirit up, the Women Cell at Sree Narayana Gurukulam College of Engineering was constituted with the following Vision, Mission and Objectives.

#### **VISION**

To provide a unique platform for the development of its members by empowering and enabling them in all spheres of life to become agents of social and economic change and inculcating ethical values for the betterment of self, family and society.

#### **MISSION**

To prevent gender discrimination and sexual harassment by promoting gender equality amongst all students and employees by instilling self esteem and confidence in girl students so that they can take the right decision in and for their lives.

#### **OBJECTIVES**

Women Cell for the year 2022-23 was reconstituted with the following objectives:

1. To provide a healthy study and work culture in the college.
2. To enhance the self confidence and self esteem for girl students, women faculty and staff in the college.
3. To highlight the importance of health and hygiene.
4. To create social awareness about problems of women and in particular gender discrimination.
5. To enhance their participation on an equal footing in all areas.

  
**PRINCIPAL**  
Sree Narayana Gurukulam  
College of Engineering  
Kadayiruppu, Kolenchery-682 311

  
**COORDINATOR**

6. To make the girl student feel safe and sound in and around the college campus.
7. To create an environment of gender justice where men and women study and work together with a sense of security and dignity.
8. To direct women's role in society by developing multidisciplinary approach for the overall personality development.
9. To organize seminars, workshops and lectures relating to women development.
10. Helping girls' students and ladies staff live a balanced life where they neither lurk into depression nor take the abode of aggression.

### **ROLES AND RESPONSIBILITIES**

- The cell tries to make a forum for open dialogue and discussion on gender issues.
- Through lectures, workshops, seminars, debate, etc., to raise knowledge of equality in the legal system, the social system, and democratic activities.
- Encourage the creation of a gender-sensitive environment that allows both men and women to reach their full potential.
- To prepare students to promote gender equality
- To inculcate entrepreneurial attitude among women

### **PERIODICITY OF THE MEETING**

The committee will meet twice in a year on a general basis. However meetings shall be organized whenever situation demands.
