

# Sree Narayana Gurukulam College of Engineering, Kadayiruppu

## ANNUAL REPORT FOR THE ACADEMIC YEAR 2022-2023

The college has witnessed several developmental activities throughout the period.

- We admitted a total number of 455 students for all disciplines.
- Scholarship amount of Rs 11,662,620 had been given to 910 meritorious students in this year.
- We have conducted 31 add on courses for the enhancement of the student knowledge in which 389 students had participated. This enabled the students and faculty members to enrich their subject competency and expertise in their desired discipline and for the growth of the institution.
- Students are groomed through the mentor-mentee system. Every mentor will have a group of students and they constantly guide them to become successful.
- During each semester, we conduct class committee and course committee meetings in order to monitor the progress of the students.
- Students are encouraged to enroll in certification courses such as NPTEL, COURSEARA, etc. Seminars, symposiums, workshops, etc., are also encouraged.
- As part of their curriculum, students completed internships and innovative projects.
- We encourage our faculty members to pursue doctoral degrees and to publish articles in high-quality journals.
- The ERP software was purchased and it is used for effective monitoring of lesson planning, syllabus coverage, student's attendance, examination marks etc.
- Total 5 Faculty development programs were organized by various departments in this year. 2 programs were conducted for non-teaching staff.
- Faculty members were encouraged to attend various faculty development Programmes, seminars, conferences, and workshops during this academic year and 71 faculty members were financially supported by SNGCE.
- SNGCE ensures that students are participating in ample number of curricular, co-curricular, extra-curricular and sports activities organized at college, intercollegiate and university level
- Central library provides DELNET, E-BOOKS, NDLI etc. Every year we procure the latest reference books based on the recommendations of all the departments.
- Placement training sessions are conducted by the placement cell.
- Total number of 176 students appeared in the final semester examination
- Total 176 students have been placed in various companies during this academic year.
