

Title	Seminar on academic careers and gender equity
Date	05 September 2019
Venue	Seminar hall
Resource person	Dr. S Suprabha
Objective	To explore the challenges and opportunities related to equity and inclusivity within the academic field

As a part of teacher's day celebration GURUVANDANAM, women cell conducted a seminar on academic careers and gender equity on 05 September 2019. The session was handled by Dr. S Suprabha (HOD, S&H Dept.) She addressed the topic "Academic Careers and Equity". The seminar commenced with a comprehensive exploration of the concept of equity in academic careers. Participants engaged in discussions on the barriers and challenges faced by individuals from diverse backgrounds, including gender, race, ethnicity, socioeconomic status, and disabilities. The focus was on understanding the systemic factors that contribute to inequities in academic career progression and the importance of addressing them.

Title	Talk on Women in Entrepreneurship: Opportunities and Challenges
Date	06/07/2019
Venue	Lecture hall
Resource person	Dr. S Usha
Objective	To shed light on the opportunities and challenges faced by women in entrepreneurship.

Women cell of SNGCE organised a seminar on “Women in Entrepreneurship: Opportunities and Challenges” on 06/07/2019. Dr. S Usha (HOD, Civil Dept.), discussed the opportunities and challenges faced by women in entrepreneurship and encouraged students to pursue entrepreneurship as a viable career option. The participants engaged in an active discussion on the challenges faced by women in entrepreneurship and the strategies that can be used to overcome them. By discussing the unique experiences of women entrepreneurs, we aim to inspire, empower, and foster a supportive environment for women pursuing entrepreneurship. Dr. S Usha's talk inspired participants to consider entrepreneurship as a viable career option and encouraged them to overcome the barriers they may encounter along the way.
