

Title	Environment Day
Date	5/6/2019
Venue	SNGCE Campus
Resource person /Coordinator	Mrs.Beena T.Balan
Objective	To explore renewable energy and green technologies, and improve air quality in cities and regions across the world.

The theme for World Environment Day 2019 was "Air Pollution" with the slogan "Let's breathe clean air" a call for action to stop air pollution which has become a global crisis . The theme was chosen by China who was the host for World Environment Day 2019. World Environment Day, encourages worldwide awareness and action for the protection of the environment. There is a paramount need to protect the environment at the moment, and this is what World Environment Day, which is celebrated every year on June 5, highlights.

On 5th June 2019 the students of SNGCE planted new bushes inside the campus under the guidance of NSS coordinator Mrs. Beena T. Balan.

Title	Engineers' Day
Date	15/09/2019
Venue	PG Seminar Hall
Resource person / Coordinator	Principal, Dr. Kemthose Paul
Objective	To to pay tribute to Visvesvaraya and also to commemorate the contributions of the engineers to the nation.

Engineers' Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India so far and a great human being Sir Mokshagundam Visvesvarayya, popularly known as Sir MV. The theme of Engineers Day in India 2019 is "Engineering for Change". The principal of our college addressed the students. The program was organised by IEDC, SNGCE. He made a talk on the significance of Engineers Day and inspired the students. Sir mentioned that engineers play a very significant role in every walk of our lives. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. He also told that engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation's technological and industrial growth.
