

Title	Environment Day
Date	5/6/2018
Venue	Departments
Resource person /Coordinator	HoD
Objective	To improve lives by helping communities to protect, conserve, and manage their natural resources.

The theme for World Environment Day 2018 is “Beating plastic pollution” and is a call for individuals to take charge of their surroundings and realise the severity of using plastic in daily life. Environment Day focus on its role in providing the essential infrastructure that supports life on Earth and human development. One million plant and animal species risk extinction, largely due to human activities. Awareness messages were given by all HODs in their respective departments and planted trees at college premises. Posters were displayed at different parts of the college. Plastic, which is rampantly polluting our water bodies, harming marine life and posing a threat to human health, has been one of the major concerns of environmental bodies this year.

Title	International Day Against Drug Abuse
Date	26/6/2018
Venue	MCA Department
Resource person /Coordinator	Dhanya Sukumaran/ Anjali Sankar (Assistant Professor MCA Dept.)
Objective	Initiative to increase support for prevention of drug use

The theme of the 2018 International Day against Drug Abuse and Illicit Trafficking is "Listen First" as the first step to healthy and safe communities. The drug is a substance that can cause the death of an organism if taken more than the dosage. It causes a change in the physiological and psychological structure of the organism when it is consumed. There are various ways through which one can intake or consume drugs like smoking, inhalation, injection, etc. An Anti-Drug programme "Drugs are no fun" was conducted on 26th June 2018 for creating an awareness on the ill-effects of drug and alcohol consumption. Assistant Professor Dhanya Sukumaran in her motivational speech informed that a vast majority of youth in India are using drugs and every day India sees 10 suicidal deaths related to drug abuse. Assistant Professor Anjali Sankar coordinated the session.

Title	Freshers Day Celebrations
Date	14/8/2018
Venue	Departments
Resource person /Coordinator	HoD
Objective	To develop harmony among the students

Fresher's Day was organised by the senior students of various departments to welcome the first years. It was conducted on 14-08-18. Dance and music are two key essentials in a Fresher's parties. The seniors should make themselves amenable to talk to and make the newbies enter the dance floor. Fresher's Day is a platform where the juniors display their hidden talents. This has been a regular event in our college. The most important thing in a freshers' party is to enjoy moments of togetherness and make them feel good about being a part of your college. The event creates many memories for the first-year students and their seniors alike, with a spellbinding array of cultural programs. Moreover, these types of celebrations help juniors to form bonds and ensure good coordination with seniors. This leads to a better understanding among all and a feeling of co-operation is fostered.

Title	Teachers Day Celebration
Date	5/9/2018
Venue	Department
Resource person /Coordinator	Final Year Students
Objective	Acknowledge, evaluate and enhance the Teachers of SNGCE.

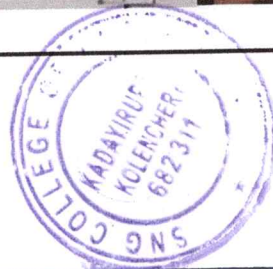

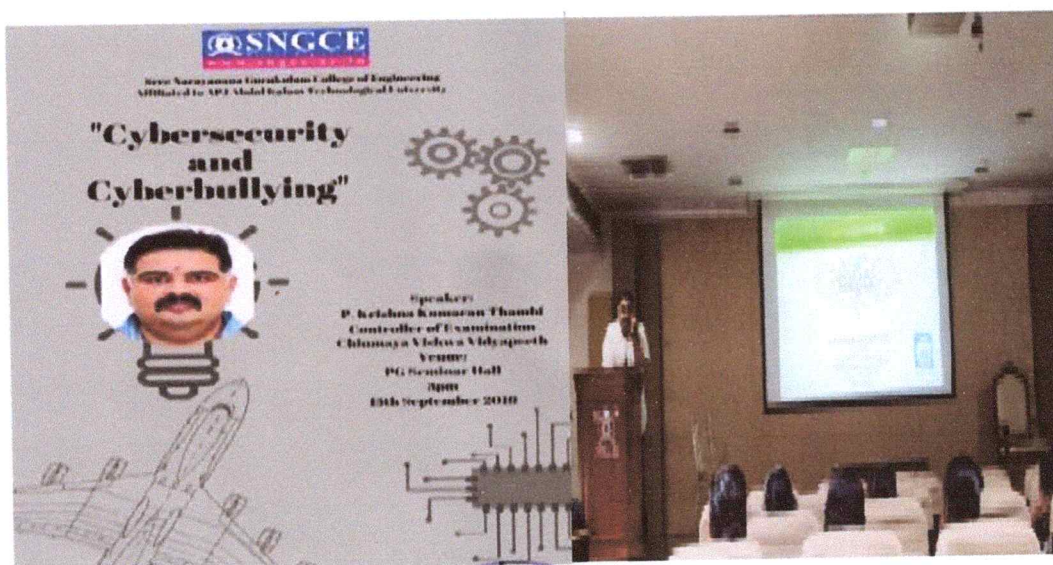

Learning needs freedom to think and freedom to imagine, and both have to be facilitated by the teacher". With a heart full of love and respect the students SNGCE celebrates Teacher's Day. Students of SNGCE celebrated Teacher's Day on 5th September 2018. Final year students organized the programme and invited Teachers for the event and were given small tasks to perform. Cake cutting ceremony followed by some cultural programmes by students were part of the celebration. Education truly is our most powerful tool, and that's why it's so important to celebrate World Teachers' Day. Teachers facilitate learning, spread knowledge and push us to be curious and excel—they deserve to be acknowledged, thanked and appreciated for all they do.
