Counseling

- In order to resolve day to day academic problems of the students & motivate them, mentors are appointed for a batch of 20 students, and they will counsel the respective students once in a week, to solve the problems come across during their course of study. •

This is a continuous process till the end of academic career of the student. During the last semester of study students are advised for higher studies along with proper career guidance.

- Various counseling sessions and awareness programs are being organized by experts from various fields to guide them regarding various rights of women and give them exposure counseling.
