

Title	International day against drug abuse
Date	24/6/2022
Venue	PG Seminar hall..
Resource person /Coordinator	Mrs.Beena T.Balan
Objective	To strengthen action and cooperation in achieving a world free of drug abuse

In order to raise essential awareness about the devastating effects of drug abuse, every year June 26 is celebrated as the International Day Against Drug Abuse and Illicit Trafficking or World Drug Day. This year's theme is "People First: stop stigma and Discrimination, strengthen Prevention". The aim of this year's campaign is to raise awareness about the importance of treating people who use drugs with respect and empathy; providing evidence-based, voluntary services for all; offering alternatives to punishment; prioritizing prevention; and leading with compassion. The campaign also aims to combat stigma and discrimination against people who use drugs by promoting language and attitudes that are respectful and non-judgmental.

Under the coordination of NSS unit SNGCE and the physical education department, the international day against drug abuse was observed on 24th of June 2022, in PG Seminar Hall. There was a total of 200 students from all branches and concerned department staff in the venue. The program began at 9.00 am with a prayer. Inaugural session was carried over by Adv. P.V. Sreenijin, MLA, Kunnathunadu and keynote address was delivered by Mr. Aleyas P.V, Deputy Excise Commissioner, Ernakulam. The event was streamed live on YouTube. Program came to an end by 10.30 am.

Title	Graduation ceremony
Date	20/8/2022
Venue	P G Hall
Resource person /Coordinator	Prof.Dr .K.N.Madhusoodanan.
Objective	To celebrate students who have successfully met the academic and extracurricular requirements for graduation.

Graduation is an important milestone in a person's life, and it is a time for celebration and reflection. Graduation ceremony is also referred to as "commencement" or "convocation". After walking the stage, you'll go from "graduand" to "graduate" over the course of the graduation ceremony.

Graduation ceremony of 2022 was inaugurated by Prof.Dr .K.N.Madhusoodanan. Honorable Vice chancellor, Cochin University of Science and Technology (CUSAT) on 20th August 2022. In his keynote, Dr. Madhusoodanan said "Education is a never-ending journey. But, foundation is very important. From SNGCE, you people get enough value based education. That is the strength,". In this event the specially invited chief guest awarded the certificates to each and every passed-out student of that year.

Title	Onam
Date	2/9/2022
Venue	College
Resource person / Coordinator	Dr. Kemthose P Paul
Objective	To celebrates the return of the King Mahabali to Kerala

Onam Festival is the most famous festival celebrated in Kerala. The harvest festival of Kerala also called the festival of rain flowers is a ten-day long festival celebrated with fervor across Kerala. It is celebrated during Chingam (a month in Malayalam calendar) that usually starts between mid-August and lasts up to mid-September. Onam festival is celebrated to honor King Mahabali who visits "Kerala" at the time of Onam. Onam festival is an expression of unity. Unity is the pillar of progress and harmony in society. Onam Celebration of Sree Narayana Gurukulam college of Engineering was held on 2nd September 2022, Friday. Honourable Principal of the college, Dr. Kemthose P Paul inaugurated the celebration. Students arranged colorful competitions, such as floral carpet and tug of war. Various other competitions like Tiruvathira, Onappattu, Maveli and Malayali Manka were conducted as part of the celebration. The various events that form a part of the celebration aim at promoting unity, humility, prosperity, and generosity among the people in the region.

Title	Induction Programme (2022-2023 admission)
Date	25/10/2022 to 28/10/2022
Venue	Seminar Hall
Resource person / Coordinator	Dr. Kemthose P Paul
Objective	To help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

Induction program for first years was organized from 25/10/2022 to 28/10/2022. The induction program started on 25th October with the address of Principal. In his address, the principal gave an awareness about the opportunities for the students in the campus and career opportunities. It was followed by a motivational talk. The student's chapter of the IEDC program introduced the IEDC club and its activities to the newly joined students. Various clubs were formed and a session was given for club activities every day of the induction program. A field visit was also to KKR Mills Okkal for the students.

Title	Freshers' day
Date	11/11/2022
Venue	Seminar Hall.
Resource person / Coordinator	Second Year Students
Objective	To welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence.

Freshers' Day is a celebration intended to extend a kind welcome to newcomers, enhance the feeling of community, and motivate juniors. The purpose of this day is to meet and welcome the juniors. Freshers' day was conducted on November 11th of 2022 to welcome the first-year students. The seniors plan this event, which features entertainment, music, and socialising and is mostly for the new comers of the institution. The seniors and juniors, as well as the guides and tutors, get the opportunity to develop relationships during this event. The students of each department organized various programmes and games for their juniors. A self introduction of the first year students were conducted as an ice breaking session

Title	Blood Donation Camp
Date	22nd November 2022
Venue	SNGCE
Resource Person /Coordinator	NSS
Objective	To create awareness among students about the importance of blood donation, encourage them to participate, and collect blood units to support hospitals and medical facilities in providing lifesaving transfusions to patients in need.

Sree Narayana Gurukulam College of Engineering (SNGCE), as part of its NSS activities, successfully organized a blood donation camp in association with Amritha Hospital on 22nd November 2022 at the college campus. The one-day camp witnessed a significant turnout of enthusiastic student volunteers.

The primary objective of the camp was to promote awareness about the importance of blood donation and encourage students to actively participate in this noble cause. By organizing such a camp, SNGCE aimed to contribute to the well-being of society and support patients in need of blood transfusions.

Throughout the day, students voluntarily donated blood, displaying their compassion and commitment towards saving lives. The collected blood units were then appropriately stored and forwarded to blood banks for distribution to those in need.

Title	Christmas Celebration
Date	23/12/2022
Venue	College Campus
Resource person / Coordinator	Dr. Kemthose P Paul
Objective	To bring joy, unity, and a spirit of giving and to foster a sense of harmony among students.

Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. The name 'Christmas' comes from the Mass of Christ (or Jesus). A Mass service (which is sometimes called Communion or Eucharist) is where Christians remember that Jesus died and then came back to life.

Christmas Celebration of Sree Narayana Gurukulam College of Engineering was held on 23rd December 2022, Friday. All the students and staff actively participated in the celebration. The campus was decorated with balloons and stars. A beautiful and peppy carol singing by the teachers marked the Christmas celebrations. It came as a surprise to the students to see their beloved teachers singing and entertaining them. Even though the celebrations ended on the day, the hearts of all students and children were filled with joy, happiness, and the spirit of giving.

Title	Fire And Rescue Training
Date	14th February 2023
Venue	SNGCE
Resource Person /Coordinator	NSS
Objective	To equip students and staff with the necessary skills and knowledge to effectively respond to fire emergencies, ensuring their safety and the safety of others.

As part of the NSS activities of SNGCE, a fire and rescue training session were conducted on 14th February 2023 at 10 am within the college premises. The session was led by the highly skilled fire and rescue team from the Pattimattom section.

The objective of the training was to equip students with vital knowledge and skills to effectively respond to fire emergencies, ensuring the safety of themselves and others. The session began with informative classes that covered the basics of firefighting equipment and their operational theory.

The Pattimattom fire and rescue team provided in-depth explanations about the different types of firefighting equipment, such as fire extinguishers, fire blankets, and hose reels. They demonstrated how to properly operate each piece of equipment and explained the appropriate usage depending on the type of fire.

The NSS team of SNGCE expressed gratitude to the Pattimattom fire and rescue team for their valuable contribution and expert guidance during the training session. They acknowledged the team's dedication and commitment to imparting crucial knowledge and skills to the students.

Title	International Women's Day
Date	8/3/2023
Venue	P G Hall
Resource person / Coordinator	Smt. Lekha Kakkanad
Objective	To celebrate the progress made towards achieving gender equality and women's empowerment .

International Women's Day provides a global platform for celebrating women's achievements, raising awareness about gender inequities, and increasing support for women worldwide. International Women's Day is celebrated on 8th March all over the world. This is not just another day but it is a day to appreciate and give respect to all the women who are the essence of our lives. This day is a day to honour the life, grit, and determination of women.

The International Women's Day celebration held at SNGCE in the name of Chayamukhi was a significant event that aimed to support the 'Embrace Equity' movement. The theme for the event was "Empowering Women through Education," highlighting the importance of education in achieving gender equity. The celebration aimed to inspire and encourage women to continue breaking barriers, taking up leadership positions, and contributing to society's growth. The event was a powerful reminder of the need to embrace equity, promoting a world where everyone is equal, regardless of their gender. The International Women's Day Celebration was inaugurated by the esteemed author, Smt. Lekha Kakkanad, whose inspirational words left the audience captivated and motivated.

Title	D zone Volleyball Championship
Date	14th to 16th November 2022
Venue	Viswajyothi College of Engineering & Technology
Resource Person /Coordinator	Mr. Avarachan M P.
Objective	To promote physical fitness, teamwork, sportsman spirit, student engagement, talent showcasing, and community engagement.

Sree Narayana Gurukulam College of Engineering (SNGCE) emerged as the champions in the KTU D Zone Volleyball Championship held at Viswajyothi College of Engineering & Technology. The tournament took place from 14th to 16th November 2022 and witnessed intense competition among participating colleges.

In the men's division, the SNGCE volleyball team showcased exceptional skills and teamwork, securing the championship trophy. Their outstanding performance throughout the tournament led them to victory and made the college proud.

Participation in the championship provided a valuable opportunity for the SNGCE volleyball team to showcase their abilities and compete against strong opponents. The tournament fostered healthy competition and camaraderie among the participating colleges, promoting the spirit of sportsmanship.

Title	NSS Camp 'ARPANA 2023'
Date	3rd April 2023 to 9th April 2023
Venue	Govt Higher Secondary School Kadayiruppu.
Resource Person /Coordinator	NSS
Objective	To engage volunteers in community service activities, promote social awareness, and foster personal growth through meaningful interactions and contributions to society.

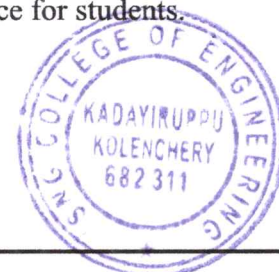

NSS Camp 'ARPANA 2023' was conducted by Sree Narayana Gurukulam College of Engineering's National Service Scheme (NSS) Unit 569. The camp was a seven-day residential program held from 3rd April 2023 to 9th April 2023 at Govt Higher Secondary School in Kadayiruppu.

The primary objective of the camp was to engage 50 NSS volunteers in community service activities and promote social awareness. Volunteers actively participated in projects that aimed to contribute to the betterment of society.

As part of the camp, the NSS Unit undertook the 'Pusarjan Project' which focused on asset creation in the Government Hospital at Kadayiruppu. Volunteers worked diligently to improve the facilities and infrastructure of the hospital, ensuring a better healthcare experience for the community.

Additionally, the NSS Unit undertook the 'Digitization of Library' project in the Higher Secondary Section of GHSS Kadayiruppu. Volunteers played a pivotal role in digitizing the library, making it more accessible and enhancing the learning experience for students.

Title	Cleaning Tourist Places
Date	8/04/2023
Venue	Kaprikkad and Paniyeliporu .
Resource person /Coordinator	Mrs.Beena T.Balan
Objective	Maintain cleanliness and hygiene within the tourist place. Prevent the spread of diseases and ensure tourist safety.

During the 7-day NSS camp 'ARPANA' the students had a nature visit to Kaprikkad near Kodanad and to Paniyeliporu near Perumbavoor on 8th April 2023. They cleaned these areas by collecting the plastic wastes. They spread the awareness about the hazards of plastic. To preserve the beauty and ecological integrity of tourist destinations, cleaning initiatives have become essential. Regular cleaning activities help mitigate the negative impacts of tourism, such as littering and pollution, and maintain the natural beauty of these areas. Strict monitoring and enforcement discourage irresponsible behaviour, reinforcing the importance of maintaining cleanliness in tourist places.

Date	11th May 2023
Venue	SNGCE Campus
Resource Person /Coordinator	Final Year Students
Objective	To integrate technology, management, culture, and sports, fostering personal and professional growth while promoting teamwork, leadership, innovation, and

The Tech Fest of SNGCE, Fugeniz 9, was conducted on May 11, which coincided with National Technical Day. The event served as a platform for students to showcase their skills and talents in various disciplines.

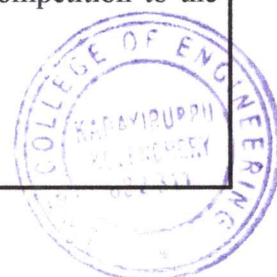

Organized by the students, Fugeniz 9 featured an impressive lineup of events and activities that captured the essence of innovation and technical prowess. Participants were presented with a plethora of opportunities to demonstrate their knowledge, creativity, and problem-solving abilities.

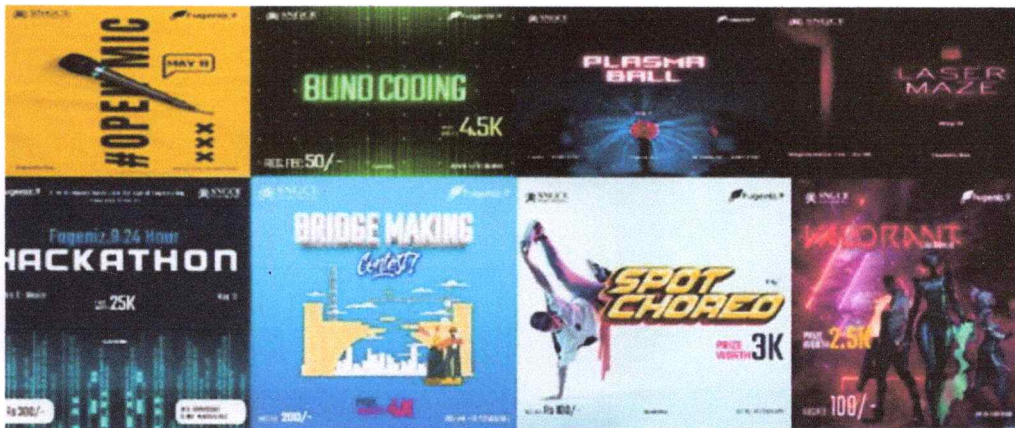

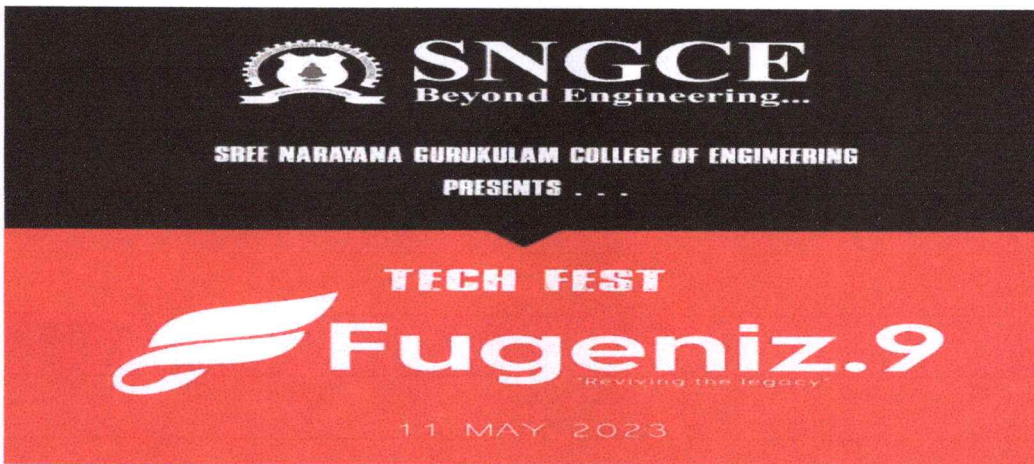

As part of the fest, intriguing events such as blind code challenges, men's physique contests, music mojo performances, DEA pitching sessions, bridge-making contests, plasma electrostatic demonstrations, laser maze experiences, and Rubens tube showcases were organized. These events showcased the incredible potential of the participants and their ability to excel in diverse technical domains.

In addition to the technical events, Fugeniz 9 also provided a platform for participants to engage in exciting games. Soapy soccer matches, dark room adventures, treasure hunts, and a Clash of Clans tournament added a touch of entertainment and friendly competition to the fest.

Title	Awareness Programme on Plastic Free Environment
Date	20/5/2023
Venue	Kaprikkad tourist place
Resource person /Coordinator	Mrs.Beena T.Balan
Objective	Encourage individuals, governments, industries, and organizations to work together towards a plastic-free future, ensuring the health and sustainability of our planet.

As part of the environment day celebrations the students of SNGCE made a visit to Kaprikkad tourist place on 20th May 2023 to know about the forest. Awareness classes were taken by the students about the need of plastic free environment.

Plastic pollution has emerged as a significant global environmental challenge, posing a threat to ecosystems, wildlife, and human health. This programme emphasised the persistence of plastic in the environment, emphasising the extensive time required for decomposition and its detrimental effects on ecosystems. Discussed the negative consequences of plastic pollution on land, water bodies, and air quality. Highlighted examples such as the Great Pacific Garbage Patch, microplastic contamination, and habitat destruction. Highlighted the importance of efficient waste management systems and recycling programs to minimize plastic waste. Discussed the challenges and potential solutions for improving recycling rates and infrastructure.
