

## INTERNATIONAL DAY OF NON-VIOLENCE

On 07/10/2022, at 12.50pm the FM lab, SNGCE marked the International Day of Non-Violence by hosting a special event featuring a message from Head of the dept. ECE Professor Deepak. P. This occasion served as a platform to promote the ideals of non-violence and commemorate the legacy of Mahatma Gandhi, a champion of peace and non-violence.

The event began with an introduction highlighting the significance of the International Day of Non-Violence and the enduring importance of non-violence in our world. In his message, the HOD emphasized the values of non-violence, shared anecdotes of Gandhi's teachings, and encouraged the college to embrace non-violence as a guiding principle in their lives.

The event concluded with a reaffirmation of the importance of non-violence in building a more just and peaceful world.

College FM lab, featuring a message from the dept. Head, was a meaningful and thought-provoking event. It provided a platform for the college community to reflect on the principles of non-violence and how they can be integrated into their daily lives.
