Student feedback mechanism on Institutional Governance/faculty performance	The performance evaluation of teaching faculty is based on 'Student Feed Back Proforma', HOD's evaluation and Principal's assessment. This is carried out yearly and inputs from odd and even semesters are taken in to account. The 'Rating Sheet for Non-teaching Staff' is initiated by section-in-charges on yearly basis. HOD and Principal endorses their assessment on the format. Evaluation criteria includes behavior towards students/colleagues/higher ups, punctuality, discipline, willingness to accept responsibility, involvement in extra-curricular and co-curricular activities, completion of assigned works, etc. Feedback from the students, in respect of every course instructor is collected at the end of each semester, to analyze the characteristics such as, subject knowledge, communication skill, willingness to help, preparation of lessons, sincerity, punctuality, ability to maintain discipline, questions encouragement, presentation speed, general behavior and attitude, etc. If the performance of any staff is found to be below the required level setup by the College, the staff may be given training for improving their performance and /or caution to improve.

	Grievance redressal mechanism for faculty, staff and students	A grievance redressal committee consisting few Heads of Departments and senior faculty under the Chairmanship of the Principal is in place to enquire into and recommend suitable measures to redress grievance of faculty, staff and students

Infrastructural information	

Sree Narayana Gurukulam college of Engineering (SNGCE) has the state of art infrastructure augment, facilities and equipment pertaining to fulfil the programme specific curriculum of Kerala Technological University promoting an excellent teaching learning environment. SNGCE situated in a rural area surrounded by a green and pollution free environment which spreads over an area of 25 acres of land catering to the professional and educational needs of rural students. The excellent infrastructure include the state of art facilities and requirements of aesthetics and sustainability by providing courtyard and nurturing green lush in each building so as to make the entire campus lovely and appealing. College established policies and procedures for creating an amiable academic environment, conducive to learning on the strength of most modern infrastructural facilities to mould world-class professionals of the future. To achieve this, the institution has:

1. *Infrastructure facilities of the college follows the AICTE norms*
2. *Class rooms, tutorial halls, Conference halls, drawing halls*
3. *Standard laboratories*
4. *Clinic facility*
5. *Good administrative support*
6. *Facilities for co curricular, extracurricular and recreational activities for staff and students of the institute.*
7. *Learning resources such as central library, department library, E-Resources, internet and Wi - Fi facilities, Video conferencing for academic purposes.*
8. *Amenities such as canteen, store, transport, playgrounds etc.*
9. *Sufficient furniture are distributed to all the departments for both staff and students.*

The institution provides necessary facilities for laboratories such as furniture, equipment and good laboratories. All the rooms are adequately furnished with comfortable seating and ergonomic furniture. All laboratories are well equipped with state of the art equipment and facilities. All the laboratories are established as per University and AICTE norms. These labs are utilized for conducting practical classes as per the requirements of the curriculum.

Students Activity Body		A Staff advisor is nominated by the principal to coordinate all activities of the College Students' Council. The aim is to give orientation and leadership among students by organizing various extra-curricular activities. The council consists of representatives elected from all classes. Two representatives from classes having more than 35 students are elected. The term in office of the elected representatives is normally be one year. Students with sound academic and good attendance record are only eligible to contest for election. In addition, the Principal may nominate up to four representatives from students who are proficient in arts, sports, literary talents, etc., if not, properly represented by election. Under representation of girl students and non representation from SC/ST communities will also be taken in to account for such nomination. Office bearers of the students' council such as Chairperson, General Secretary, Sports /Arts Secretary, Magazine Student Editor, University Union Councilors (one or two based on student strength), etc. are elected by the representatives.
Cultural activities		Cultural activity coordinator prepares the budget in consultation with the Staff adviser, for hosting cultural events within the campus. Cultural activity coordinator forms teams of staff and students to handle various responsibilities for conducting arts festival in the college. Frequent interactions and rehearsals are conducted by delegating responsibilities. Screening of likely participants is arranged to enable minimum standard during competitions. Competitions are held among the students department-wise and talents are identified. Cultural events are conducted in line with the scheduled itinerary and winners are awarded prizes during a ceremonial function. Students are also sent to other inter collegiate competitions, accompanied by the cultural activity coordinator or other staff, with the approval of Principal.
Sports activities		Physical education lecturer prepares the calendar for the sports and games activities. He arranges the preparation of the facilities, procurement of the kit and organizes regular practice by selected participants. He also organizes teams of staff and students to handle various responsibilities for conducting the sports and games in the College. The students are divided in to four houses and a staff in-charge is appointed for each. Each house selects a captain. The sports and games are conducted in line with the scheduled itinerary and the winners are awarded prizes. Physical education lecturer maintains a list of talented sportsperson based on earlier performances within and outside the college. As and when inter-collegiate/inter university sports and games activities are announced, the Principal directs the Physical education lecturer to initiate necessary actions who in turn selects the team and arranges for the necessary coaching. Physical education lecturer sends the necessary applications to the organizers in consultation and approval of the Principal.
