## TEACHERS DAY CELEBRATION

We the students of NSS unit of SNGCE has celebrated teacher's day on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. S. Radhakrishnan. As a tribute to this great teacher , his birthday has been observed as teacher's day.

We celebrated the day in a small but a beautiful way. We celebrated it by gifting teachers a pen as our token of love .We make the paper craft in the form of a cone and also we insert a pen to it and make beautiful butterflies that is inserted to the outside of the cone to make it more attractive and also we wrote "HAPPY TEACHERS DAY" which makes our small gift more attractive The celebration is carried out department wise .The students handover the gifts to the teachers their happy faces made our day.

## ROADIES

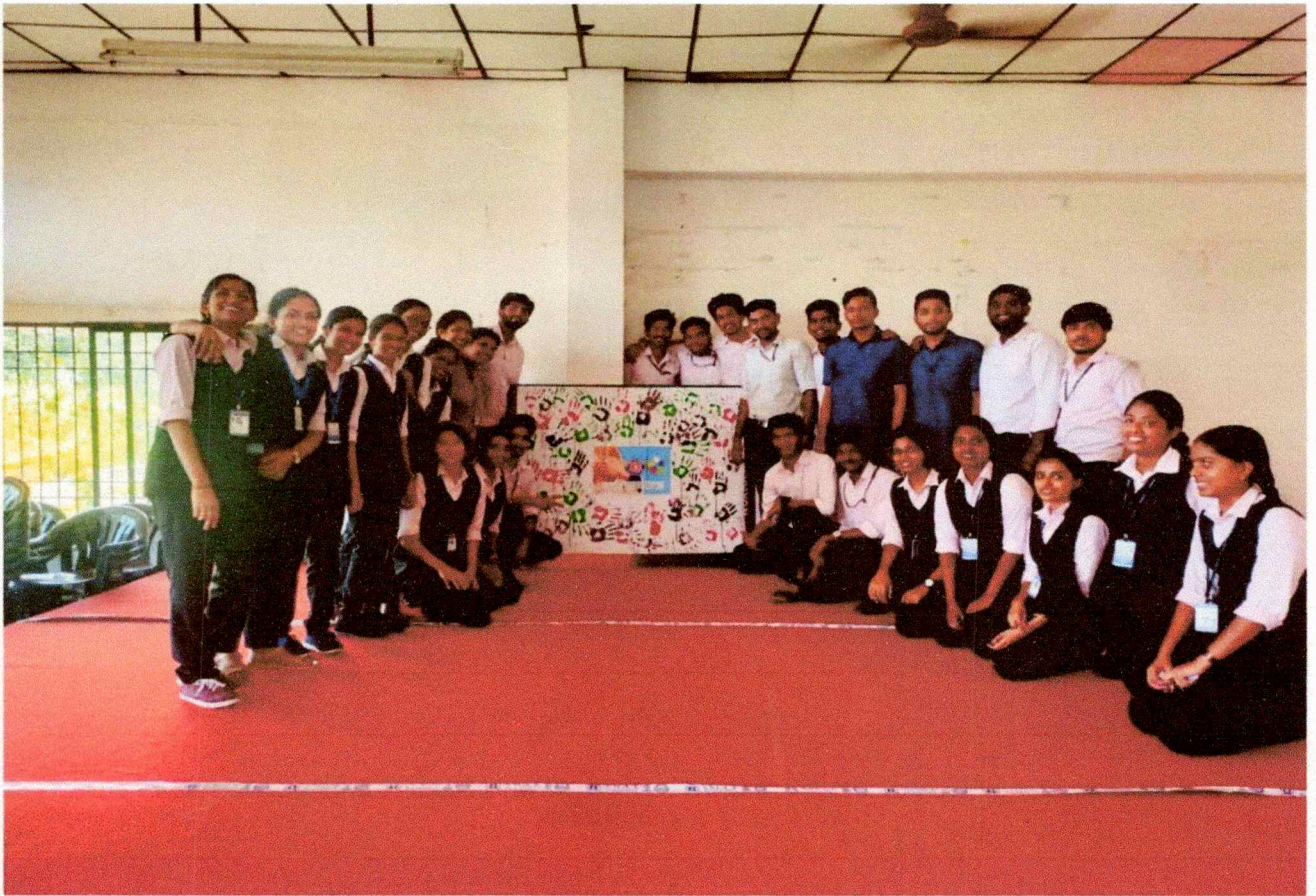

27/09/2019

As part of NSS Golden Jubilee Celebrations, a treasure hunt namely, Roadies was organized for the newly enrolled volunteers on 27th September, 2019. It was a time-bound activity and the team that would gather all the clues and reach their goal first would be declared the winner. There were 4 clues and every clue led to the next step. Various parts of the college premises were used to place the clues with the help of senior volunteers. There was a lot of exhilaration as the volunteers ran from pillar to post to reach their next clue. Each clue was in the form of a riddle and the volunteers thoroughly savored decoding the hints. There was a display of tremendous team work and coordination among the volunteers. The treasure of each team was assembled together and it ended up as a poster with the theme of unity among people. After that it was a chance for every volunteer to make their mark as it marks unity among them. Firstly our program officer, Beena Mam made her mark and then all of our volunteers made their marks and pledged to support and help each other. The program ended up by 2 pm.

## ORGANIC FARMING

Organic farming is an alternative agricultural system which originated early in the 20th century in reaction to rapidly changing farming practices. In the present scenario, the farmers of Kerala are also providing very importance to organic farming. The NSS unit of our college also understood the importance of organic farming. As a beginning, some of our volunteers attended a class on organic farming. It was organized by the Aikaranadu Grama Panchayath as a part of integrated community development project, Kadayiruppu. The programme was inaugurated by the Panchayath Member of ward no: 432 and the session was handled by Dr. Haridas, a master-head in the field of organic farming.
