## BLOOD DONATION CAMP

As part of NSS activities of SNGCE, we have conducted a blood donation camp at our campus in association with Amritha Hospital. It was conducted on 22/11/2022. Many students were part of this one-day camp. Before the blood donation process, donors are screened for eligibility and their medical history is evaluated to ensure that the blood is safe for transfusion. After the donation process donors are given refreshments to help replenish their energy levels. The collected blood is then sent to blood banks for storage and distribution to those in need.

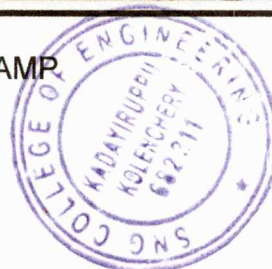

The NSS blood donation camp is an excellent opportunity for volunteers to promote awareness about blood donation. The camp organized in SNGCE campus was a great success more than 30+ students have donated blood. The program was held with active involvement of program officer Beena T Balan and assistant program officer Salman Shah.

## **NRPF INTERACTIVE SESSION**

As part of NSS activities of SNGCE, we have conducted an interactive session on National Resource Protection Force. It was conducted on 24/11/2022. This session was conducted by NRPF Ernakulam Regional Lead. They made us aware about NRPF and its practices. They gave a detailed class on the activities that come under NRPF and gave us demonstration on how to login into the app and do tree tag, sharing the location, etc. They are also aware of us about the nature and its resources and how to protect it. They taught us about various activities to protect our resources such as pond cleaning, plant a tree etc. The program officer Beena T Balan was actively participating throughout the session. More than 30 NSS volunteers were present at this session. The session ended with some activities for the NSS volunteers.
