He is famously known as Mahatma Gandhi. Mahatma means “Great Soul”. He is also known in India as the “Father of the Nation”.The day of Gandhi Jayanti is dedicated as a tribute to Mahatma Gandhi. He was a great leader of the Indian Independence Movement. He launched the famous “Quit India Movement” to drive the British out of our country. Practicing of perfect waste management system is the initial step, and our college management has taken supportive measures for this.

Drug-free awareness class

With the increasing use of drugs, the narcotics market in Kerala is growing day by day. The market is targeting the youth, especially college students. So, stopping at root is the only solution. For this, the only effective way is to educate students about the harmful effects of using these drugs. The class went well all the information shared was very useful and informative.
