LEVEL - 2

Twin Tact

Each team of two must work together to complete a common task. Coordination and teamwork are essential!

The first 6 teams to successfully finish will advance to the next level.

Think fast, collaborate, and race to victory!

LEVEL – 3

Puzzle pit

Teams will compete to solve three interconnected puzzles—one mathematical, one alphabetical, and one pattern-based. The first four teams to complete all questions will advance to the next level.

Think fast, decode patterns, and **race to the finish!**

LEVEL - 4

Glitch Buster

Think you've got what it takes to squash bugs like a pro?

Each team will receive a faulty code—fix it, run it, and race to the top!

The first two teams to successfully debug their code will secure a spot in the finale.

Are you ready to **crack the code** and **claim victory**?

Nb : In case of tie marks, tie breaker questions will be provided.

LEVEL - 5

Dungeon

Your only way out? Solve the hidden mystery and find your escape!

The first team to crack the challenge and get out will be declared as winner or CEREBRO.

You have 1 hour. The clock is ticking.

Will you **make it out** or be trapped forever?

Nb : In case of tie, time will be extended.
